

Blackboard Mobile Learn @ Fresno State

The Blackboard Mobile Learn provides No-Cost access for **Sprint** network Android and BlackBerry mobile devices and Apple iOS devices, including iPhones and iPads, **via Wi-Fi** to our Bb system.

- Log into blackboard.csufresno.edu.
- Find the 'Personal Information' link in the Tools module on 'My Blackboard' tab.
- Select 'Change Password' and type in a password, verify and submit. This will create your password for your Blackboard Mobile Learn account. (**Note:** If you log into Blackboard from a regular computer you will still use your normal Fresno State password.)
- From your mobile device, download the Blackboard Mobile Learn App. Open the App and search for Fresno. Click on the link for California State University, Fresno.
- Type in your regular Fresno State username but use the password you just created in Blackboard.
